Medical Restrictions

(In this section 'you/your' refers to the jumper)

For a tandem skydive you must be at least 16 years old. For all jumps you must weigh under 15 stone for male and 13 stone for female with your weight in proportion to your height. The principal medical restrictions for all jumps are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information. All jumpers are required to sign a medical form before their jump declaring their fitness to take part - this will be sent to you upon receipt of your booking but is also available on request through Skyline Promotions. Those under the age of 18 will need the medical form signed by a parent or guardian; anyone with medical conditions listed on form 115A will need to have form 115B signed by their doctor. These will be provided to you by Skyline Promotions Ltd once booking has been confirmed. A copy for your viewing can be found on our website.

Insurance

(In this section 'you/your' refers to the jumper)

On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £5 million for liability to Third Parties. Please note that this does not cover the jumper or their dependants for personal injury including death. All jumpers are therefore strongly recommended to take out their own insurance cover for personal accident benefits to whatever level they consider appropriate. They can do this either in conjunction with their own insurance broker or they may take advantage of the cover

detailed on the Skyline Promotions Ltd website. If you wish to take advantage of this scheme, then please refer to the insurance page on Skyline Promotions Ltd for full details.

IMPORTANT NOTICE

Parachuting is an adventure sport and participation in such sports necessarily involves a risk of injury or death regardless of the standard of training, supervision and equipment employed. I voluntarily accept all the risks inherent in the sport and I agree for myself and my personal representatives to indemnify and hold harmless Hospice of the Valleys and Skyline Promotions Ltd against any claim or claims whether on my own account or from third parties arising out of any accident or incident resulting in any loss or damage (including bodily injury and death).

By completing your booking on-line you are confirming that you have read all the above sections marked Booking Terms and Conditions, Medical Restrictions, Insurance, and Important Notice, and understand and agree to be bound to those terms and conditions and to comply fully with.
